

Ministry of Public Works
Department(s) Responsible: Department of Works and Engineering
Request for Proposals No.: 2024-003Q-MPW

METHOD STATEMENT

Please provide a response for the sections below. Note that these responses will be scored as part of the evaluation process.

You may also attach additional documents that will further detail your method.

Background Information:

In the following section please describe any experience you have of providing roofing services.

1. How long has your company been in business?

2. Details of any current roofing or logistical services currently being undertaken.

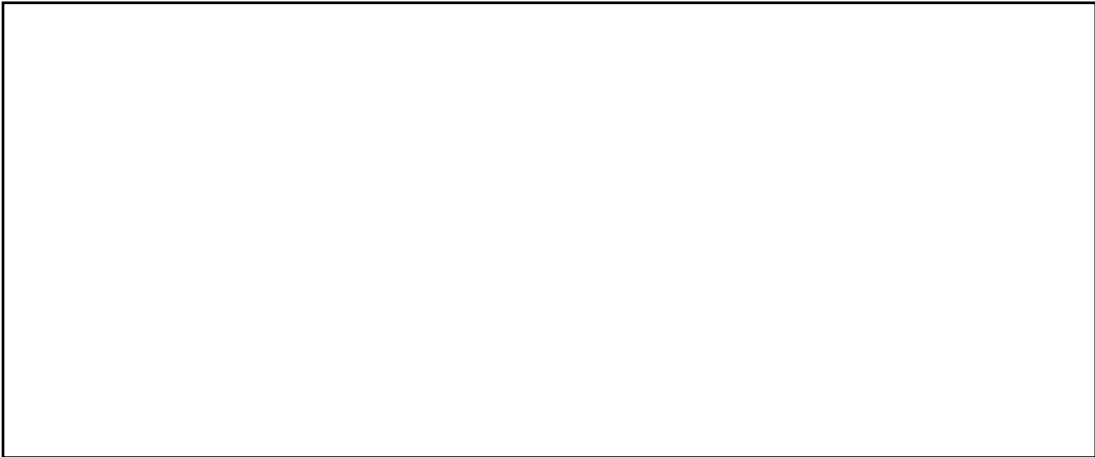

3. Details of any specialist resources (e.g. staff, vehicles & equipment) which would benefit the contract.

In the following section please describe the methods you intend to use to service the Government House TPO Contract.

1. Details of your place of operation (base) and any back-office resources you intend to put in place.

A large, empty rectangular box with a black border, intended for the respondent to provide details of their place of operation and back-office resources.

2. Your approach to safety and health.

A large, empty rectangular box with a black border, intended for the respondent to describe their approach to safety and health.

3. Your approach to ensuring timely communications, reports and financial information.

A large, empty rectangular box with a black border, intended for the respondent to describe their approach to ensuring timely communications, reports, and financial information.
