

TAKING IT TO THE STREETS

01
SEPT
2017

DR. E.F. GORDON SQUARE
COURT STREET, HAMILTON
Time: 4PM – 8PM

Community health nurses are offering free screenings to identify persons at risk of chronic non-communicable diseases.

- monitor blood sugar
- assess cardiac risk profile
- monitor blood pressure
- monitor weight
- other health education

Our goal is to prevent non-communicable diseases in this generation.

THIS IS PUBLIC HEALTH

#healthbermuda | #thisispublichealth

GOVERNMENT OF BERMUDA
Department of Health

The Department of Health, Community Health Nursing team will be in collaboration with the Adventist Community Services and Bermuda Wellness & Outreach Centre.
