

Government of Bermuda
Ministry of Transport
Department of Marine & Ports Services

Addenda
For
Two (2) New 500 Passenger Catamaran Fast Ferries

Procurement No.: MOT-2023-500PAXFERRIESX2

Issued: **July 28, 2023**

Submission Deadline **REVISED: September 1, 2023**

Addenda No, **#2**

The following addendum supersedes information contained in the solicitation document issued for this procurement to the extent referenced. This Addendum forms part of the solicitation documents and will be subject to all of the conditions set out in the contract conditions.
Questions and Responses

Question 1:	Will the Department of Marine & Ports allow for an extension on the submission date of August 18th 2023?
Answer 1:	The Submission Deadline has been extended to Friday, September 1 st 2023. See reference section below of revised dates. Due to Bermuda Government commitments, further extension beyond this date is unlikely.

Question 2:	Will the Bermuda government consider the use of the shipbuilder’s contract as a template to negotiate a final contract?
Answer 2:	Yes

Question 3:	Appendix D – RFP Particulars, Part A Deliverables: List of four items under “breakdown”. Expand on “breakdown” and what is requested? Is it price?
Answer 3:	No. Pricing breakdown is required within the “Pricing Sheet” in Annex B. The proponent is required to detail the deliverables within those four (4) listed categories. Pricing details are not a requirement under Appendix D – RFP Particulars, Part A Deliverables.

Question 4:	What is a 19/22 Hard Shell Life Raft?
Answer 4:	Hard shell brands such as Jim-Buoy (on our current fleet) produce 22 person buoyancy apparatuses while other brands are 19 person.

Question 5:	Appendix D page 24 of the RFP under the title, Proponent Proposal Requirements, states that proposals shall be no more than 30 pages excluding letter of transmittal, title page, table of contents, dividers, and attachments.
Answer 5:	Of the thirty (30) page limit specified on page 24 of the RFP, does not include supporting pages such as G.A. drawings, materials lists and marketing literature, for example.

Question 6:	What is a 3-tier optional spare parts package?
Answer 6:	A 3-tier optional spare parts package will be three separate packages increasing in value which would include lists of critical and consumable parts (i.e. planned parts, unplanned parts, critical components and tools) for continual operations of proposed vessels and associated pricing that may or may not be incorporated at the time of contract signing.
