Dear Respondents,

Ref: 36/100 Request for Statement of Qualifications (RFSQ) – Stimulus Program Addendum #3

This Addendum #3 contains (1) pages.

The following addendum supersedes information contained in the RFSQ to the extent referenced. This addendum forms part of the RFSQ documents and will be subject to all of the terms and conditions set out in the RFSQ process.

PART 2 – Questions and Responses

1. Q: Do we have to be a registered company to apply for the infrastructure Stimulus Program?
A: Yes.
2. Q: Will companies be considered for Stimulus projects or other projects with Public Works after the RFSQ submission deadline?
A: No. Late submissions will not qualify for the Stimulus Program as announced. However, all late submissions will be considered as they are received. Submissions will be responded to within 30 days regarding their inclusion on or exclusion from the pre-qualified list. If a late submission is otherwise compliant the company will not be considered for the first phase of Stimulus Projects. However, when the Ministry of Public works invites Suppliers to submit Qualifications for inclusion in a prequalified supplier list again, your submission will be included for the next round of projects. We encourage companies to re-submit their qualifications if anything on previous submissions no longer applies.
3. Q: If I am having trouble electronically editing or manually filling out the forms who can I contact for assistance?
A: Submission forms can be electronically edited and submitted via email to Stimulus@gov.bm as well as be printed and completed manually. If completed manually, companies have the option of placing the hard copy in the Tender Box located in the reception area of the Ministry of Public works or scanning the form and then emailing to the Stimulus email mentioned above. Companies that need assistance completing the forms should email admin1@bedc.bm or call BEDC. Tel: 441-292-5570.
