Dear Respondents,

Ref: 61-46-100 Hunter's Wharf Bow Loading Facility Request for Quotations (RFQ) – Addendum #1

This Addendum #1 contains (1) pages.

The following addendum supersedes information contained in the RFSQ to the extent referenced. This addendum forms part of the RFSQ documents and will be subject to all of the terms and conditions set out in the RFSQ process.

**PART 1 – Questions and Responses**

1. Q: Will the Government be responsible for sourcing and supplying the new pulleys and rollers on the winch frame system or will that be the responsibility of the contractor?  
A: The contractor is responsible for sourcing and supplying the new pulleys and rollers on the winch frame system as the existing ones have seized and are rusted beyond repair.
2. At the site visit, the Project Manager requested that the two existing rusted bollards on the dock be sand blasted and painted. This is no longer required and is not a part of this scope.

END OF ADDENDUM #2

**Note: Amendment/addenda will be posted at <https://www.gov.bm/procurement-notices>. Respondents should visit the Government Portal website on a regular basis during the Procurement process.**
