REQUEST FOR TENDER (RFT)

STRUCTURAL ENGINEERING SUPPORT SERVICES

Tenders are invited from experienced engineering consulting firms for the above captioned services. The selected Consultant firm's representative(s) will be required to work under the direction of the Chief Engineer or designate to manage and undertake the planning, design and construction of engineering works for the Structures Section, including investigations and feasibility studies, preparation of tender documents, and site supervision.

Full details and tender documents may be obtained from <https://www.gov.bm/procurement-notice> or directly from the Ministry of Public Works, Department of Works and Engineering, 3rd floor, General Post Office, 56 Church Street, Hamilton from 25 May 2016. Completed tenders must be returned no later than 3:00 pm on Wednesday, 15 June 2016 to the address below bearing the following identification:

“Tender for Structural Engineering Support Services”
